

Forrestfield Primary School Newsletter

Dear Parents, Students and Community Members,

With seven days to go before the end of term, we are all finalising **Semester 1 Reports** ready to send home on Thursday 28th June.

Last week, author **Mark Greenwood** visited Rooms 1 and 3 to share some of his books. Mr Greenwood talked about how he forms ideas for writing, how he researched information and showed students items which stimulated his thinking. He presented a signed copy of *Lassiter's Reef* to selected students who are taking turns to read it at home.

Mr Judd, our chaplain, will be leaving us at the end of the term to take up a new position at a church. On behalf of our school community, I thank him for his time at our school and wish him happiness in his new career.

Congratulations to all our teams for competing in last Friday's **Winter Carnival**. As a small school, our mixed year level teams competed against students from much bigger schools and often older students. I'm so proud of how hard everyone

Sporting Schools Program

As part of our senior sports program this term Room 1 and Room 3 are now learning all about AFL. For the last 2 weeks we have had Christian Tuffili come out to our school as part of a 4 week development program that he is running with the students, courtesy of the Sporting Schools Program. Christian is the Swans District Development Officer from West Australian Football Commission and is fantastic at teaching this much loved Australian game to our students in a fun and interactive way. We have been focusing on the basics; such as correct techniques for kicking, hand balling and marking through fun drills to develop skillful players with a passion for the game. The students enjoyed learning from Christian and are applying the skills they have learnt in Sporting Lessons and Events.

Deputy's Diary

Greetings parents and carers,

What a busy Term it has been! I was fortunate enough to attend the **Sing Festival** last week. Our students were amazing (as were Mr Borbas and Ms Bennison) and they represented our school well in their behaviour, effort and attitude. **Thank you** to all the families who came to the theatre to enjoy the concert.

Last Friday, the upper students participated in the **Winter Carnival**. Teresa Blackman and I accompanied the netball teams. Again, a truly fabulous effort by all of the students! They were persistent, put in 100% effort and showed excellent sportsmanship. We were very proud of them. Thanks to Mrs Blackman for her support and well done to Mrs Bezant for your amazing organisation.

We hope to see you at next week's Rm 12 TED assembly and I wish all our families a happy and safe school holidays!

Keeping your kids safe online is easy with a few simple precautions.

Nothing replaces parental supervision and education for kids about cybersafety.

Set a technology curfew.

Remind your child to never give out identifying information such as your home address, school name or telephone number in a public message such as chat or newsgroups.

If your child posts photos online, use privacy settings to limit access to people they know well.

Remind your child that people don't always tell the truth online, and they can't take anything at face value.

FORRESTFIELD PRIMARY SCHOOL SPORTS TEAMS

News from the Chaplain

As many of you are aware next Wednesday, 27th June 2018, will be my last day at Forrestfield Primary School as I have been offered a position in a church that will extend my career outside of chaplaincy. Over the last three years I have met some amazing people along my journey. I have attended concerts, open nights, sports days, swimming lessons, excursions, graduations and many other things through the school. I have had the joy of watching young kids grow into young leaders and seen students mature. When I started my journey as a Chaplain in 2015, I walked into the school not knowing anyone but am leaving feeling more enriched for being here. Forrestfield Primary School will always have a special place in my heart.

I would love to leave you with this poem from Neptune Barman called Journey of Life.

Life's a journey

Every journey has beginning and an end

We're travellers in this journey of life

Our thoughts direct ways in the journey

This journey full of obstacles

But, need to face happily,

it has great value.

We born here for experience of this journey

This journey consists both positive and negative

It teaches us move forward and fulfill our dreams.

Life's a journey, an unavoidable journey

Whichever way we want, we travel

And the path, we choose leads us our destiny

May your journey be full of adventure and twists. But most of all let it be amazing.

FRIDAY 20 JULY IS AN IMPORTANT DATE IN YOUR CHILD'S EDUCATION

If your child is four years old by 30 June 2019 you can apply to enrol them in Kindergarten for 2019.

You must apply to enrol your child in a public school for 2019 if they are:

- starting Pre-primary (first compulsory year of school) - five years old by 30 June 2019
- starting Year 7 (first year of secondary school)
- changing schools.

Visit your local school and apply by 20 July 2018.

For more information and to find a public school in your area visit education.wa.edu.au.

Reduce your lawn

Reducing your lawn to just the area you need will save water and maintenance. If there's an area of lawn that you don't use, consider converting it to a waterwise garden to save water.
