

# Forrestfield Primary School Newsletter

Dear Parents, Students and Community Members,

This week's newsletter features pictures from **TED's 6th birthday celebration** last week. We had lots of fun and thank parents and family members for supporting the events. It was the perfect day for a Teddy Bears' picnic!

Our **new school polo shirt** has arrived and it looks great! A BIG thank you to Mrs Cugini, our School Council and students for all their work and great choice.

During the transition period students can wear the new polo top, the original white top or their blue faction shirt Monday to Thursday. We now have **Faction Friday** when children wear their house/faction shirt.

This week we are launching **Family Maths Fun**. Each fortnight we will include maths problems for your child to solve with your help at home. When your child has solved the problem, please have them place the sheet in the box in the office. **Competition No 1 closes on Friday 5th June**. We will draw two winners on Monday and announce them in our next newsletter.

Our thanks to **all** families who supported our **"Wear Your Team Colours"** Fundraiser. Students enjoyed the chance to wear their team colours and \$145.00 was raised.

## SUBWAY FOR LUNCH ON FRIDAY

With the Canteen no longer running, we are continuing to offer Subway for lunch every Friday.

**Orders and money must be placed on Thursday mornings,** for lunch delivery on Fridays.

Orders and money can be placed at the Canteen from 8.20-9.00am Thursdays.

For \$7.00, students will receive: A six inch sub, A drink, A Cookie

An order form is included with the newsletter. Extra forms are available on the School's Website, the School App or from the Office.

Please note no special orders can be catered for.

# ROOM 4 LEARNS TO BUILD VOLCANOS

This month is the text type Procedures for Writer of the Month. In Room 4 we wrote a whole class text, How to Build a Sand Volcano. On Wednesday the 27th of April we put our instructional skills and volcano making to the test.

## **WATERWISE TIP OF THE WEEK—**

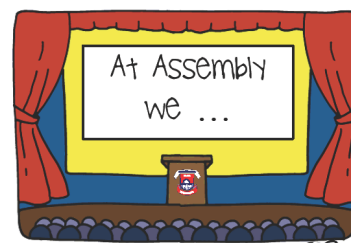

### **Fix a leaking toilet**

A leaking toilet can be extremely wasteful, losing up to a litre an hour. If this is left unchecked for a year this will waste approximately 9,000 litres of water. To check your cistern, place a few drops of food colouring in the tank. Without flushing it, look for colouring in the toilet bowl. If it's getting through, you've got a leak, and it's time to call a plumber. By stopping a leaking toilet you can save approximately 9,000 litres of water a year.

## **VIRTUES AND BEHAVIOUR FOCUS**

Our focus virtue is currently **TOLERANCE** and our focus behaviour is **Assembly Behaviour**

We ask that parents reinforce these behaviours at home.

-  Sit with our legs crossed and hands in our lap
-  Look at the person speaking
-  Stand, sit and move quietly when instructed
